

# 2020 Carolina Invitational COVID-19 Procedure and Policies

## Temperature Checks and Screening

Anyone with a fever over 100.0°F or who is showing any symptoms consistent with COVID-19 should not attend. Depending on the facility, a temperature check at the door may be required for entrance.

## Face Coverings for Spectators/Staff

Face coverings must be worn AT ALL TIMES in the facility. Every other row of bleachers will be marked off to help with social distancing in the bleachers. This includes players that are watching other games.

## Face Coverings for Teams (players, coaches, team personnel, etc.)

Players are not required to wear face coverings while playing or sitting on the bench. Coaches, staff, all team personnel and non-competing student-athletes (players not in uniform) must wear face covering.

## Locker Rooms

All teams should come dressed for their game and NOT expect to have access to locker rooms.

## Attendance

Attendance will be restricted and will vary based on facility size. Once you enter the facility (different from the exit entrance), you will not be allowed to re-enter unless you pay again. Spectators will only be allowed to watch the game that they pay for and should arrive no earlier than 30 minutes before the start of that game.

## Facilities

As soon as a game ends, EVERYONE must exit the gym so that it can be cleaned for the next game. It is suggested that spectators also bring wipes of their own to wipe down the seat that they are sitting in as well.

**Spectators will not be allowed on the court before/during/after the contest.**
